Dear Blurr

**AVON'S 30TH ANNIVERSARY NATIONAL DEALER CONVENTION**

I am writing to express my sincere appreciations to you and your team at Orange Events for helping Avon stage an excellent Convention on March 4, 2006 at Stadium Putra, Bukit Jalil, in honour of our top Dealers in the country.

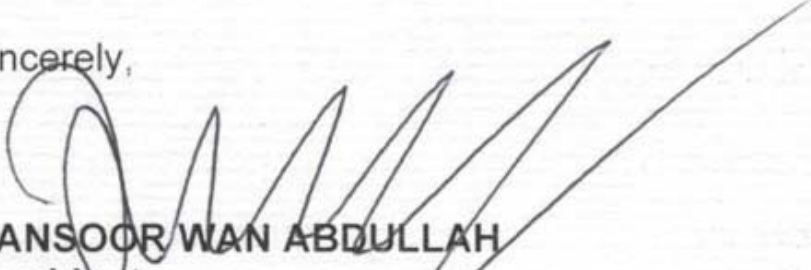

We have staged many high-profile Conventions in the past, but it is most appropriate and gratifying that our 30th anniversary celebrations which coincide with 2006 as the Year of the Avon Dealer is launched with such great impact and momentum before 8,000 of Avon's most passionate, loyal and dedicated Dealers.

As a matter of record, I am happy to note that, among others, the success of the Convention came with your astute leadership, your team's passion for meticulous planning and creative excellence, and above all, the positive interaction and teamwork among your staff and ours. All this, needless to say, invariably paved the way for one of the best Conventions ever to be experienced by our Dealers and friends from the media.

Once again, thank you to you and your team at Orange Events for a splendid job. Syabas!

With best regards,

Sincerely,
